

Augustine Abbott

February 20, 1955 - December 31, 2020

On Thursday, December 31, 2020, the “Angel of Silence” came to the University of Toledo Medical Center and gifted our Beloved Augustine Abbott with her wings to take her final flight to Heaven. While hearing trumpets, multiple choirs with victorious voices of worship and fluttering

flutes her soul ascended from this world of sin, sorrow and pain to eternal rest.

Augustine Abbott was born in Toledo, Ohio on February 20, 1955 to the late Mr. Udell Curl and Mrs. Mary Curl. Augustine attended Toledo Public Schools, where she was a graduate of Scott High School and the University of Toledo. She was a teacher for Toledo HeadStart for many years and was employed with Family & Child Abuse Prevention at the time of her passing.

She leaves behind two amazing children, Brandon and Alicia, with former spouse Larry Abbott. Also left to mourn, special son in law, Mark Forte along with her most adored grandchildren, Braxton Abbott and Alivia Forte. Four loving brothers and one sister in law; Edward Stuart, Terry Curl, Larry Curl, Don (Rosemary) Curl. She also leaves to cherish a host of nieces, nephews, family and friends.

Regardless of the situation at hand, Augustine was the vessel “God” used to portray His message in any environment, complete any task, and bring souls to the Kingdom of God. She made everyone in her presence feel invited, loved and respected. Most importantly “God was her everything and without him she was nothing.” She had a talent for helping people through the most difficult times of their life which is just one of the many reasons so many people were drawn to her.

Augustine will be especially remembered for showing unconditional love to all of us, but especially to her four brothers. She prepared the best holiday family meals, loved her grandchildren in “her special-unique” way, and always helped guide us all through life. As a family we will all strive to fulfill her final prayer: to develop a strong unbreakable relationship with God and allow “HIM” to become our everything so that WE will be able to see her again!!

The verse below is a reflection of the love she showed to others while on earth.

Luke: 4:18-19

“The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord”.

Her most satisfying work, as Domestic Violence Coordinator for The Family & Child Abuse Prevention Center was creating “Thriver to Survivor”. She referred to as “Her baby.” This group is a space for women to share their brokenness, without judgment, a place to find healing and aspire to the next level in life. This program helped women realize their worth, flee from abuse, attain personal power and provide the individual skills to put their families back together in a healthy manner. She was known for providing food out of her personal freezer to feed families, make personal calls to program directors, Judges and social workers.

She was an advocate for the women she served. She made referrals to avoid evictions, helped the ladies gain employment, obtain clothes, transportation etc. Because of her faith in God, a problem or situation was never too big, a mountain never too high to climb and “no” was never acceptable when it came to assisting women in her program. She made a global impact with her education, employment, trainings, speaking engagements and servicing the community. Augustine graduated from University of Toledo with a Master’s degree in Special Education and received countless professional certificates throughout her career. She completed speaking engagements in many churches, attended domestic violence conferences and symposiums globally, and lead numerous trainings.

She was ordained by The St. Paul Missionary Baptist Church and went on to serve at Shiloh Baptist Church. She shared her gifts with numerous ministries such as Women’s Ministry, Drug and Domestic Violence Program and Sunday School Ministry. She was also a member of St. Paul Missionary Baptist circle of Genesis, Church Choir, was an assistant Teacher of the Adult Sunday School Class, Thursday Night Kids and American Baptist Women. She graced the community by being active on the following committees of Toledo, Ohio: Domestic Violence Task Force, Best Practice, Multi-Disciplinary Team, Brothers United and Inter Denominational Ministers Alliance, Silent Witness Reader and community activist for Domestic Violence. Because of her compassion and diligence to serve God she never met a stranger.

“ So saddened by this news. Ms Augustine was truly a beautiful person inside and out. Heaven has definitely gained an Angel. I just wish she had more time left with us. God bless her children and family and may she rest in love. Thank you for everything Ms Augustine

“ I am sadden to hear that my friend as gone on to be with out Father. Truly a remarkable woman. We met and started at Toledo Head Start together and continue our friendship when we both worked in helping women of domestic violence and various women ministries. We shared so much together and continue to keep in touch throughout the years. She was always encouraging me to future my education on women's issues and to continue my work with children of domestic violence. I will miss the calls we would share on collaborating about women issues, children of domestic violence and especially women of Christ. I will truly miss you and our walks through Ottawa Park.

“ My heart is so heavy. I cannot believe that she is gone. I have worked with Miss Augustine at two local agencies for over 16 years. I actually brought her to the Family and Child Abuse Prevention Center to continue to inspire and empower domestic violence survivors. She was one of a kind. The ladies she helped loved her warm and empathic spirit as did anyone who came into contact with her. Above all, she put GOD first. She would laugh and shake her head at the things I would say and I knew that she probably secretly prayed for my soul. She attended my wedding and swooned over my kids. I loved her with my whole heart. The world is a better place because she was in it.

“ Auggie, you will be dearly missed. It was an honor to have worked with you at the D.V.S. I learned so much from you. I will never forget the time that you helped a large family at the shelter get ALL of their hair cut and the mom's hair done for free. That was such a blessing, that one simple gesture renewed the mom's spirit. You will be missed.

Words cannot express how much I will miss you and how much I love you. It has been such a blessing to know you. I would have never thought when we met 15 years ago we would have gotten so close but I thank God that he allowed me to be a part of your life. I appreciate everything you have done for me and taught me. I appreciate you being there for me and the kids. I appreciate you for being there and carrying me through some of my darkest moments in my life! I know I could not have done it alone.
