“ May your family feel the warm embrace from the loving arms of Jesus and may you all experience the peace that the risen Christ alone can offer. A scripture of hope is "to be absent from the body is to be present with the Lord".

“ My fondest memory was seeing CJ at church walking lime he was in pain so:

Me: CJ what's wrong?

CJ: My back hurt Sis Char

I sat him on a pew massaged his neck, upper back, and shoulders for a few.

Me: My son played foot ball and I would do this for him.

CJ: That feels Good. It don't hurt no more.

The next week and every time he'd see me he would throw that precious giddy smile at me and say mama Char it hurt right here (on his back) or right there (on his neck) or over there on his shoulder. I couldn't resist that smile and genuine love he had in his eyes even if he wasn't really hurting I gave him a little massage any way.

For the love of C.J. to the Glory of God...
