“ To the family of Rutha, know that she is now in heaven because of the resurrection where Jesus made eternal life in heaven a reality. Feel the warm embrace from Jesus, our God of comfort and peace, in the days ahead.

“ I was fortunate to know my ""Sweet Baby Ruth". We shared the same birthday and we always enjoyed telling people that we were "twins." Now, Baby Ruth, being Baby Ruth, could hold a poker face like no other. People would just look back and forth at us trying to figure it out!!! I promised Rutha a bean dip and margarita with salt because her daughter said she couldn't have them. Unfortunately, I didn't get it to her. Here's to you, Rutha....you made my life better because you were in it. See you on the other side. ;...{

“ My dearest Bulista, as I sit here trying to find the proper words to say to you, it is very difficult. My heart aches along with yours. I know Ruthie was your mother but she meant the world to me as well. You did everything humanly possible to keep your mother happy and smiling no matter what was going on around you. You always made sure Ruthie was first, because of the dedication you shown to your mother this makes you a Phenomenal daughter. I will continue to pray for the family.

Love you All,
Debbie Dean
