“ Susan was the most generous person I ever met. She gave her time, energy, and mostly her love to everyone she met. She never hesitated to help whenever she was asked. She treated my daughter and all the special Olympians with such kindness and love. I only hope she knew how much we trusted her, respected her and cared for her. Our lives were better for having known her. Heaven is richer with her presence. Our prayers go out to all her family. We loved you and will miss you.

“ I was saddened to hear of the passing of Susan on the local news and I offer my sincere condolences. In the days ahead, may you all experience the loving comfort from Jesus, our Jehovah-God, as you celebrate and remember her life legacy. Take hope from scripture that "to be absent from the body is to be present with the Lord". May our risen Lord and Savior richly bless you all.
