“ So many precious memories coming of age on Fernwood I remember one time their family dog a boxer name Duke came charging after me. Wanda saw this and she let out a whistle and yell suddenly Duke stopped right in his tracks an returned to the porch. She saved my butt that day Fo'Sho.....

“ To the family, I'm so very sorry for the loss of your mother, daughter, sister. Wanda was one of the strongest women I have ever known, I watched her overcome adversity with her head held the highest til the very end, and I will take that with me as long as I continue to walk this Earth. She will live on through us all, never forgotten. I love you all.
