

Albert T. White

January 30, 1968 - October 28, 2021

Albert Thomas White aka Shu Shu was born in Birmingham, Alabama on January 30, 1968 to Charity Marie White and Jimmy Hinton.

After graduating East Greensboro Public High School in 1986. Albert moved to Toledo, Ohio and started his adult life. Albert passed away with family at his side on October 28, 2021 at the age of 53 due to complications of Covid 19.

He is survived by his wife of 20 years Chinna Liddell-White, his daughters Ashley and Aspen White, step-son Antonio Liddell, sister Sharon Berry, brother-in-law Michael Berry, brothers Corey White, Moses White, sister-in-law Mereca White, brother-in-law Vernon Liddell Jr., aunts Ollie White, Queen White and Yvonne White, uncle Main and a host of nieces, nephews and cousins who all love him. Last but not least his cousin DeWayne White (Miecha White) who he thought of as a brother. He will be truly missed.

Albert always considered other's before he would voice his own feelings or thoughts. Albert showed so much gratitude. He was always polite and said please and thank you. He was grateful for the things and people he already had in his life and he was always patient. He knew as long as he stayed true to his self and worked toward his goals that great things would come to him and he never worried about anything.

Albert took care of people with disabilities for over 20 years at Luther Home of Mercy. He went to work faithfully everyday and took pride in what he did for a living. Albert always dressed nice and carried his self with so much class. He was definitely loved and respected by many people.

Albert enjoyed doing yard work and landscaping, working on houses, walking his dogs, listening to music and watching sports and CNN with Nancy Grace. His recent goal was to fix his house up and enroll in school at Stautzenberger College for additional counseling. Albert enjoyed being a grandfather and was looking forward to creating memories with his grandson Cameron. Before Albert passed away, at the hospital he said to his nurse "I can't wait to go home to my grandbaby."

Albert was a great at turning a frown upside down and when anything was apart, he knew how to put it back together just like today. Family was everything to him and that's why we are here today, together and as a whole.

“ A life lost to soon . We will miss shushu but we know it's just temporary(John5:28,29)we all have a hope in the resurrection. We will look forward to the time when Rev.21:4 is fulfilled when it says God will wipe the tears from our eyes and death will be no more. May the family all find comfort by means of God Almighty.

Because of the resurrection of Jesus Christ, we now have access to eternal life in Heaven, free from the aches & pains & worries & stresses in this world. May our risen Lord continue to richly bless you all as you remember Albert's life. Earth has no sorrow that Heaven cannot heal.
