“ Mom I will and already miss you. You were the angel that God placed in my life as a young girl helping God to get me to where I'm at right now. You or I didn't know how your supporting me when I had to speak somewhere for the church that God was preparing me for ministry of compassion and to bring the loss. You are my angel forever and I know you are watching down on me at all times. Love you, and may God bless your children.
