“ Mookie aka Andrea. Thank you for waiting for me to get back to the hospital on the day you were born to start our adventures together. What a beautiful honor to live and partake in witnessing both your high school and college graduation. I'll always remember our travels together in the summers yard sailing, going with me to the bowling alley, holiday cook outs, moving out of town with me and making new friends and last driving me around (lol). These are just a few qualities of memories to share about your life. You are truly loved and will be greatly missed. God was ready for his Angel and he is holding you close. Until the day that God comes and get his Angels let us know from time to time that our loved ones are with you and you all are watching over us until our Spirits meet again. Love Grandma.

*Rest In Peace Angel I didn't know Mook but I was watching Judge Mathis & she was on there, at the end of the show it was dedicated to Mook & it broke my heart to see that she had passed she was so vibrant and full of love I could tell from the show that she would give you a run for your money! So young so vibrant & beautiful. To be absent from the body is to be present with the Lord. To her family I could tell she was the best may you all find comfort in The Lord knowing she is now a protective Angel watching from the heavens sitting with The Lord God bless you all.*
