“ Aunt Annie was quite a special woman. She was quite eloquent in speech, had determined mind for business endeavors, and was quite a fashion statement. I have lots of memories of Aunt Annie growing up -- one of which was her form of discipline...a nice little pinch on the arm when I misbehaved. (smile) She was a unique woman, wife, mother, grandmother, sister, aunt and friend. She will be missed. She lived a life she loved. I will continue to life the family in prayer.
