“ Dear Galloway Family,I would like to express my condolence to your family.I never met Mr. Galloway or any of the family that I know of and yet, the enemy that has over reached your Family is no stranger. The Bible calls death an enemy, none of us can out run it or fight it off. However the Bible does teach “As the last enemy Death is to be brought to nothing” (1Corinthians 15:26) That Is Good news. It also teaches that the time will come when we can be with our loved ones in a Paradise on Earth that also is Good news. May The True God Reveal himself to your Family, and may He Comfort All of you.

“ Please accept my deepest sympathies for your loss. There is a void that cannot be replaced. Our loved ones have a permanent impact on our lives and they should never leave us. Their influence is invaluable all throughout our life, so they should be with us forever. The God of all comfort wanted mankind to live forever and never experience suffering, pain and death. He sent his Son to earth to erase everything that plagues mankind, particularly death. God's Kingdom headed by Christ will establish a Paradise earth and bring our precious loved ones back again so we can enjoy living with them happy and healthy and sharing all our experiences with them, never to loss them again.
