

Belinda A Wade

December 9, 2018

A Time To Be Born:

Belinda A. Wade was born June 7, 1948 to the late William Wade and Hattie B. Dalton-Wade in Martinsville, VA. She departed this life surrounded by family on December 9, 2018 peacefully in her sleep at Mercy St. Vincent Medical Center.

A Time for Living:

Belinda was a Jesup W. Scott High School graduate. (Once a bulldog, always a bulldog) She received her certificate as a Surgical Technician in 1968. She was a proud employee of Mercy St. Vincent's Hospital for 50 years. She spent 35 years in Labor & Delivery, helping to bring many lives into the world. She then spent 15 years in general surgery. Belinda truly loved her work, rarely missing a day and advocating for many other employees during her time there. She was referred to as Aunt B by many and always referred to multiple people as her children in her latter years.

She took on the role as mother to her niece Belinda early on, whom she affectionally called Boo-Boo. Her niece was her pride and joy and she loved and raised as her own. She had two grandchildren, Anayah and Kyrie that she poured her life into.

Belinda loved the Lord and enjoyed going to church and taking little trips with her grandchildren. She was a true servant. She volunteered, always helping those in need. She greeted every person with a smile and brought light into every room she entered. She was selfless and loving. Her high pitched voice

and smile will never be forgotten. Belinda made her mark on this earth in every person she encountered.

Visitation will be Thursday, December 20, 2018 11:00 a.m. to 1:00 p.m. followed by wake services 5:00 p.m. to 8:00 p.m. and funeral services Friday, December 21, 2018 11:00 a.m. all at the Dale-Riggs Funeral Home Chapel, Pastor Louis Self officiant, interment Forest Cemetery. www.dalefh.com

“ Although I tried to say my goodbyes in person - family issues seem to prevent this from happening (for what ever reason, Im unknown). I celebrate your life as you truly lived your days in your calling and that was "Service" to others. I was brought into this world touching your hands -actually your loving touch passed me to my mother. Also you care for me until my mother was ready to care for me .Thank you for your high-pitched, fast-speaking, no nonsense approach to keeping it always true. I appreciate the care you extended to everyone that needed assistance (no matter what their circumstances were, sometimes selfless). I am also very appreciative of the extra care that you extended to my mother in her life -As a big sister , no one could ever explain this bond. I know that you and Sister Belle are laughing and having a grand ole time (inseparable))as you spoke to each other every 2 hours -even when she was in Atlanta and you were still In Toledo. Lastly ,thank you for helping my mother transition smoothly as you came and saw her right before the LORD called her away . Your support after her passing towards me was / is greatly appreciated- I will miss your stories (even the trauma at St.V's stories). May God bless your works that you performed here on earth secretly and reward you openly in your new Eternal Place. Your "SERVICE" calling was truly fulfilled here and I know you will live the rest of eternity in GOD"S FAVOR. P.S> grab my mom and share some of those RICHES!!! Lastly - I pray that you forever look upon me and watch over me until I see you guys AGAIN--- Forever TOOT TOOT !!

“ *Our sincere condolences to the Wade family for your loss. Sandy and I feel blessed to have had our lives touched by Belinda. Her joy, warmth and ever present positive attitude naturally spilled over to everyone who encountered her. The happiness that we felt by simply being in her presence can only be explained by her love of the Lord and the Holy Spirit that filled her. We take comfort knowing she is with her Lord and Savior enjoying eternal life.*
With love,

*Sad to see the notice in the paper today . My sincere condolences to Belinda, Anayah, and Kyrie. It made me smile as I was a frequent recipient of her smile and fast talking conversation in that voice, as a nurse employed at St. Vincent. Bless you.
