“ You will forever be missed Auntie, as you are the cornerstone of our family. I can still hear your voice, your laugh and taste your delicious pound cake with caramel icing and homemade ice cream. I have known you all of my life and know nothing but good of you. Always welcomed in your home, always a joy to be with. I will especially miss sending you letters and cards, that I have been sending you since I was 12 years old after memorizing your old address on Kingswood Trail. I will forever cherish your last text message you sent to me, after you received my card with a crisp \$50.00 bill. You wrote:

*"Thank you for being a blessing. Truly special people don't often get the recognition they deserve. Not this time you may not think anyone notices how you go out of your way to lend a hand, brighten a day, bring a smile, remember someone in a special way...BUT I DO. Thanks for making my life just a little happier. I don't say it enough but I really really love you. Hope to see you soon."*

*We will always love you too Aunt Bernicesteen. Forever in our thoughts and forever in our hearts. ❤️*
