“ Gonna miss my best friend, brother, right hand man for the past 25 years or more. Wasn't expecting you to leave all of a sudden but you're in a better place and don't have to suffer no more. Love you and see you on the other side my friend.

To my first cousin Skeeter, when I think about our childhood, you were a part of everyday! Growing up at grandma's house, we always knew you would be there as a loving grandson to our granny! Grateful that you lived life to the fullest and no more suffering. Rest with your mom, grandma and Aunt Betty and all the others! On behalf of your many cousins, love you!!
