

Cliffie Etta Hunter

August 31, 1942 - April 3, 2026

Cliffie Etta Hunter began her journey on August 31, 1942 in Bessemer, Alabama. She was born the oldest of five children to Clarence Price, Sr. and Lucyetta Price. Shortly after Cliffie's birth the family moved to Toledo, Ohio where they enjoyed a fruitful and prosperous life and continued many family members still reside there today.

Cliffie worked various jobs such as at Sears, but her longest place of employment was at Champion Spark Plug where she worked for 30 years until they closed their doors. Instead of taking a buy-out Cliffie decided to take the option of free college tuition. She started working for Mayor Jack Ford at his group home for adults in recovery and attended classes at The University of Toledo where she obtained her Associate's Degree in Early Childhood Development.

After graduating, her love of helping was the reason she opened a home-based daycare. Her goal was to help families, especially young mothers, be able to receive quality daycare at an affordable price. She took care of many family members and many children who became family.

Cliffie was also very spiritual and very active at St. Paul Baptist Church. For many years she organized and oversaw the church program for the children and called it Thursday Night Kids. Many of her family member's children and

their children also attended this program and along the way she again, gained many children who became family. Cliffie was so well known for loving everyone's children and helping so many people that she was awarded a "Silent Soldier Award". She didn't expect accolades for what she did, she just did it all out of Love!

Cliffie was preceded in death by her parents Clarence Price Sr., Lucyetta Price, sisters Shirley Price, Theotha Price and son Lamont Quinney.

She leaves to cherish the memory of how she was always a supportive and loving provider to her family, her children Montalena, Marquetta, James Jr., and Dorian, her grandchildren Kriston (Latricia), Arthur (Shayna), Michael, Kesherra, Keshon, Darreon and Montana; along with many other close and special family members and close friends.
