WE

“ for almost 37 years you have been a part of my life. I dont know how to deal with you being gone. MY HEART HURTS for my sister. You will be forever missed and loved. we had so many good times and bad times, but we stuck it out as sisters should. I will miss most of all the way you talked about the kids. Oh how you loved them babies. My heart hurts for them most of all. Jay your mama was one of the most loving and caring woman I have even known. NaNa keep her safe until I get to see her again. As always I love you cympy, my rock, peacemaker, gossiper and sister for life.
