“ One day God told his Angel I have to take your wings away so you can do a job for me he sent her to earth where she did his will she had 3 lovely children that she raised on her own God said that he would never put anything on you that you can't do. As she got older he was getting her a place ready for her to come home little did we know so on March 14,2016 he did just that he gave my mom back her wings and had her to come home. You will be truly missed we Love you very much Eva, Shi'Ann, Noah and Naraelle.

I can't stop thinking about seeing her daily at Tarta/Tarps when I worked there she explained how a lot of us were related because I am always so lost as far as who my aunts and uncles are vs. my cousins lol; that just make her crack up, me being all clueless. I am just so lost and heartbroken right now. But... we will get through this tough time knowing that God does what he feels is best and she is resting now in peace. I (we) love all of you very much. ~Nik~
