“ Our prayers go out to the family, we would like to express our condolences at this time to your family. The Bible is a great source of encouragement at times like this, the scripture I would like to share is at Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

Once again, this is the Brooklyn based Watch Tower Society's way of using and manipulating funeral home websites to promote their false jehovah. Their jehovah is not the Jehovah of my Bible.
