

Diana M. Wyatt

November 16, 1941 - February 20, 2026

Born on November 16, 1941, Diana Wyatt was brought forth from the Union of Hiram Wyatt and Lizzie V. Wyatt. She was the 7th child of the large Wyatt family of 9 children.

Diana graduated from Scott High School in the class of 1959. She continued her education at Toledo Commercial College and graduated in 1964. She was loved and respected by her classmates.

She was a Head Start Teacher to young children for over 20 years. Diana was always an example of stability and love to her numerous friends and family. She never missed a day of work unless it was absolutely necessary, but even then, she'll still find a way to at least go for a little bit. She always would say, "My daddy was a worker! He went to work everyday! So I'm going to work!" She was a fierce competitor claiming many victories on the tennis court and at many bowling alleys. As her health declined, her spirits, motivation, and wittiness stayed top tier. She wouldn't allow anyone to know if she was down. Friends and family would be heard to say "I checked on Diana today. She was talking and laughing as usual." Diana was never without words, which is a family trait. She enjoyed talking, especially talking for hours with her sister Shirley. She cherished and looked forward to attending the Wyatt- Light-Cooper-Kemp family reunion yearly.

Diana is preceded in death by her father, Hiram E. Wyatt, and mother, Lizzie V. Wyatt, brothers, LeVolyd Wyatt, Thomas Wyatt, Louis Wyatt, Charles Wyatt, Harry Wyatt and sister Emma Thomas.

She leaves to cherish her memory sons Kirk and Jarret (Shannon). Sisters Anna and Shirley and a treasured host of nieces and nephews, cousins, and close longtime friends and loved ones.

“ To my Aunt Diana, my thoughts of you take me back to childhood dad bring me over on Norwood to say hello and to play with Kirk, you always came to the front door with a smile on your face and never ran out of things to talk about I sometimes set and listen in on conversations about how it used to be when you were growing up. And when my mom and dad were growing up always sounded like you found somethings exciting to do or maybe it was because I was a kid I remember your soft spoken voice I don't think I ever really hear you or Aunt Snooki raise your voice it was always calm yet, stern when you needed it to be like when me and Kirk got to loud why playing or when we took out to many toys, 1010 Norwood reminds me of key lime pie grandma Wyatt's dressing the rush of wind from the floor between the living room and the dinning room and always peaceful, never drama and a slide shows from all of Grandma Wyatt's vacations and trips to the holy land that always ended with her famous saying as she showed us pictures and name the people who were in the pictures. She'd always say they dead and everyone would chuckle , who knew we are all getting closer to that saying as I have become a grandma of 9 grand babies on earth and one who is probably showing you around your new home that is growing in numbers fast . Enjoy the other side . Am glad I got too call you my Aunt, love Kelly.
