“ I realize it has been over a year but I just learned of Don's passing. I'm deeply saddened as not only was Don one of my neighbors and best friends in high school, but Don was my best man in my wedding (photo below). Seems like after I moved out of state, we just drifted apart...my fault and my loss. My thoughts and prayers are with you even though its been over a year. Hopefully, you receive this post. I'm sorry that I never had an opportunity to meet you, but you must be a wonderful lady because Don was such a wonderful man.

*Prayers and Blessings,

“ Dad (Richard Wunderley) always enjoyed having Don go with him to U.T. basketball and football games. That may even have extended to hockey games at the arena on the East Side. When Don taught in Kenton, OH, he drove down for dinner with us when we lived in Bellefontaine. He asked what he could bring, so we said dessert. He bought ice cream in Kenton and drove the usual half hour drive at 80 mph so it wouldn't melt before he arrived. We all laughed and laughed at that. Don had a nice sense of humor. Karen, how nice you two had those 28 years. Susan (first cousin) and Tom F.
