“ So many things I could say but the one that stands out most is how she treated like one of her own. I will always remember our talks working in Uncle Jimmy's store on Nebraska, showing me how to deal with people. The cookouts, holidays, the nights I stayed at your house and the times our families shared together. You Are "The GOAT" passionate, kind, caring, funny, but at the same didn't take no mess from NOBODY!! Thank you for everything you've done for me and helping mold me into the woman I am today. You will be loved and missed dearly.
