“ To the family: You all have my deepest sympathy for the loss of your mother, sister and beautiful grandmother - I have missed her very much, this lady was gifted with so much love and concern for me and my family for so many years. She always spoke so highly of her family, especially her granddaughter.

“ My deepest sympathy to the family of Mrs. Sims. I am a former student of the Community Lighted Program when she was at Lincoln Elementary . I have never forgotten her patience, her caring and helping nature. I always wished i had teachers like her in every school i ever attended because of her. She was so sweet and i just absolutely loved being a part of the program. She will never be forgotten because of her nature and sweet disposition. Prayers for peace from LaRitha Ethridge
