“ *When those that we love close their eyes in death our lives change in so many ways. How good to know that our loved ones will never be forgotten! We will have the chance to see them again by mean of the resurrection. John5:28-29 Can you imagine the joy that will fill our hearts at that time? Yes our loved ones are only sleeping! Soon they will come back to life! We know that this is true because the bible says that "God can not lie. Titus 1:2 Do not let your heart be troubled. Believe in the promises of God and find inner peace of mind and heart.*
