“ Duanya (dee) thank you for always being there for us. Over the years we have been through so much. Many birthday dinners, girls night, which we usually like to wrap up by 10 to go home and get in our jammies..except when we danced all night at westleys. Thanks for all the walks at wildwood. Market day downtown, of course shopping. All the long discussions about life. And the quick text just to say love u, how u doing? I could go on and on. I miss you and will miss you everyday. My prayers to the family for strength. Please dont hesitate to call if you need anything. Love jude.

I worked with Duanya over the last 12 months. She was so kind and patient. She spoke often about her faith and I hope that gave her strength in her final days. My thoughts are with all her family and friends at this very difficult time.

“ *Duayna was one of my good friends. We had a lot of fun together. We were twins because our names were so close. I'm going to miss her so much but I'll never forget what a beautiful person she was.*

“ *Duanya was one of my most favorite people in this world. She loved her family, music and life in general. I thank God for all the memories we shared, church on Sundays, concerts and our monthly dinner dates at Bar Louie. I will forever admire her style of fashion, "no time for foolishness" and our life chats. Rest on my sister ~ I will love you forever.*

Joe, Kobe, Ms. Linda and Quaina I am here if and when you need me. 💜
