“ Uncle Eudell you are going to be truly missed. I remember the first time I met you and invited you to my home and cooked you and my auntie a home cooked dinner and once you ate you took a nap. Love you and will miss you.

“ My deepest sympathy at the passing of Udell. We know from reading God’s word the Bible that death was not part of God’s original plan and Rev 21:3,4 tells us there will come a time when death will be no more.
