

Everardo "Gordo" Cheno

September 4, 1991 - December 10, 2020

Everardo Cheno also known as Gordo passed away unexpectedly. Gordo was a funny, outgoing person, who would give you his shirt off his back. He loved his music loud and his cars fast. And he always knew how to make people feel reassured. He worked at Hulcher Professional Services, he was a dedicated father and worker, who had a strong work ethic. He leaves behind a significant other Rosa, as well as four young children Bonita Estrella Rosie & Panchi who he adored more than anything in this world. Mother Elizabeth, siblings Christina, Andrea, Victor and Martin.

Dear Primo, our "Pelon", our "Gordo", I remember your laugh, your smile, your gentle words and kind heart. I remember Grandpa Joe loving you abundantly and the smile you brought to Grandma Dora's face when you finished eating a fresh tortilla. You were your Mothers joy and delight. She loved you. Your life took you down dark roads, but knowing the innocents of your heart, you would always try to make good of what was handed to you. Hard work and dedication were easy for you because of the principles etched in your being. It was in your blood. Now rest with Grandpa and Grandma. Your journey is over. We must all learn from your life. To choose paths that lead to light and peace. I will miss you mijo. But I will never forget your smile. Love your Primo, Mario Jimenez
