“ Dear Fay was one of the sweetest people ever here at Westgate Residential. Remember playing dominoes with her and of course always providing cookies, cupcakes, or her favorite of pumpkin bread. I would always give her two loaves, one for her freezer and one to eat. She always said she was not sure about being around to eat the one in the freezer. Fay will be missed as a very appreciative neighbor who always called to thank me for whatever treats I left her. Her leaving will leave a void in my life, not seeing her smiling face and wonderful personality. Rest in peace dear Ms. Fay 😊
