“ Dear Hamer Family,I would like to express my condolence to your family.I never met Ms. or any of the family that I know of and yet, the enemy that has over reached your Family is no stranger. The Bible calls death an enemy, none of us can out run it or fight it off. However the Bible does teach “As the last enemy Death is to be brought to nothing” (1Corinthians 15:26) That Is Good news. It also teaches that the time will come when we can be with our loved ones in a Paradise on Earth, that also is Good news. May The True God Reveal himself to your Family, and may He Comfort All of you.
