“ *Blessed are they that die in the Lord, For they do rest from their Labor. I will always remember her contagious smile and humble spirit. My most fondest memories of Cousin Inetta will always be her words of wisdom given with a smile on her face, Traveling to Ohio from Texas in the summer and going to her house for some home cooked food, greens, cornbread, etc.. and of course some kind of melt in your mouth cake was always baked for her Texas family. Cousin Inetta loved family and always pursued peace. Our last phone conversation will always be in my memory as well. I said "cousin get some rest" and she said "Ok, Ya'll be good little girls and boys" even though she knew I was over 50. Great women, and will be Greatly missed by all who knew her. Family I pray peace, strength and comfort be upon each of you. Cry if you must , But know we don't sorry as if we have no hope because our hope, strength and peace is in God. Love ya'll ! See you in the morning cousin Inetta. Bridgette Sweet.*
