“ To all the Wilbourn family I can't express the sorrow I feel from the loss of Medea,, my sister and I cherish the memories of years gone bye, and the times you all had to watch over and baby sit us. I wish I could bring those years back but as we all know God decides when it's time for us to come home. I know in my heart Medea is at home with our mother and father where they all will walk around heaven all day. God bless and keep you all strong and safe til we all meet in that holy place.
