To the Brown family, if you check the House of Day funeral home website & the C Brown Funeral Home website, you'll see postings from the above "cjt". This person does NOT know the deceased, but is a member of the Brooklyn-based watchtower society and is attempting to lure the unsuspecting reader(s) to this counterfeit organization. The jehovah of the watchtower society is NOT the Jehovah of the Bible. May you ask the funeral home adminstrator to remove all postings from "cjt" unless they clearly identify themselves and not hide behind initials only. May Jesus bless you all.

“ To Jeff's Family: It is with great sadness that I read about Jeff today in the paper. I just ran into him about two weeks ago at the Byrne Road Rite Aid store and we stopped and talked for a few minutes about old times and grandbabies etc. He was always a very nice guy who had a million dollar smile! My heart goes out to his entire family at this most difficult time. He will be greatly missed.

“ To the family of Mr. Brown I offer my sincere condolences. May Jesus, our Jehovah-God, comfort your family during this time and may you all experience the true peace that the risen Savior alone offers. Cherish in your hearts the warm and fond memories that you have of Jeffrey. Take hope that "to be absent from the body is to be present with the Lord".
