Jeffrey,

I was lucky enough to get to sit by you at the company party last year. You were a wonderful addition to the team and I always enjoyed speaking with you when you would make the trek to Swanton. You were a kind man and had much to be proud of. I admired your work ethic and knew you had a bright future. The news of your passing shocked the Devilbiss family and our hearts go out your loved ones. Many, many people are better off for having had you in their lives.

Thanks for sharing your smile.
