

## Ms Jimmie Lee Bradley

April 7, 1928 - January 6, 2024

Jimmie Lee (Knowles) Bradley was born on April 7, 1928, in Pontotoc County, Mississippi, to Walter and Racine (Hunt) Knowles. A loving mother, grandparent, caregiver, and safe haven, Jimmie was a woman of compassion, strength, intelligence, and boundless energy.

After relocating to Toledo, Ohio from Tupelo, Mississippi with her husband James Wilson Randolph, Sr., Jimmie united with Warren AME Church and became a faithful and long-standing member. She later became a founding member of Payne Memorial AME Church, where she actively served to fulfill the will of God.

In pursuit of a higher education to support her family, Jimmie earned a Licensed Practical Nurse certification from the St. Vincent School of Nursing (Toledo). She later earned a B.S. degree in Nursing from the University of Toledo. Jimmie then translated her education into a life dedicated to caring for others. Jimmie was a committed and valued RN at St. Vincent Medical Center and Sunset House, where she selflessly served for several decades. She was also an excellent seamstress, crafting everything from choir robes to beautiful prom and evening gowns.

Jimmie's greatest source of joy and pride was her family. She leaves to celebrate her life and cherish her memory her children, Patricia Randolph,

Walter (the late Kathryn) Randolph, and Jerry Randolph; sister, Martha Braddy; and daughter-in-law, Vanessa (the late Paul) Randolph, 10 grandchildren; 24 great-grandchildren; 28 great-great-grandchildren, and a host of nieces, nephews, cousins and other dearly loved family members and friends.

Jimmie was preceded in death by her parents; children, James Jr. (the late Dyann) and Paul Randolph; sister, Lula Hunt; and brothers Jim, Walker, Walter (Buddy), Leonard, and Alvis Jewell Knowles.

On January 6, 2024, Jimmie Lee Bradley was welcomed into her heavenly home... "Servant of God, well done! Thy glorious warfare's past. The battle is fought, the victory is won and thou art crowned at last..." (Poem by Charles Wesley)
