“ I know anytime we lose a love one on earth, it is difficult but as Children of God this is what we are suppose to want; to be at everlasting peace, no more pain that the world brings. Just as the rest of you will miss him, so will I...We must all stay focused on God's Will for his children and this is the process that we must all look forward to; Going Home!! It is better to have then not have at all and we all have great memories of Joe and I am glad that I was able to see him before this call to Glory was answered. Love You All. Ms. Kimberly L. “ I will truly miss my dear cousin as he has been a landmark in my life since my childhood days, he was always smiling and was a people person. He loved his family and his friends and kept in touch. He served the city of Toledo as a Policeman. He will truly be miss my many and due to my own illness this year, I was not able to visit him. To my cousin's wife and children, I thank you for taking care of him during his illness with such love and attention and I know that he appreciated it too. Keep precious memories close to your hearts and let God direct your hearts to see him again!!! I love you all from the bottom of my heart. If I am anyways able, I will attend the services but if not, know that I am with you all in spirit. The rest of my family members that can attend will do so in love.
