“ *Lord have mercy, this event really hurts me. I grew very fond of Big Lee years ago when I met him through my then boyfriend Jerry B. He along with Lee and the rest of their crew did 2 major jobs to my house inside and out and when they finished most days I happily prepared dinner for them. Lee always kept in touch with me over the years and became a true confidant and someone I admired dearly. Shared a lot of information, laughs and a few tears with each other when he would pop up or call. My deepest condolences and my sincere prayers are sent to the Bailey family. Take genuine loving care of each. Love and God bless. ☐*
