“ We are so thankful that Leola came into our lives. Leola took care two of our family members until their homecoming. She was a woman that gave so much and asked for so little in return. I talked to her at Christmas and she wanted an updated picture of the family to sit on her end table. Our family was special to her and she was to our family. Leola had a strong faith and that took her through many trials that she experienced in her life and she was stronger for it. Rest in peace my dear friend.

“ I am sorry to hear of the passing of Leola. Find hope and comfort from scripture that "to be absen from the body is to be present with the Lord". May Jesus embrace you all with His loving arms. Our risen Savior, Jehovah-God, bless you all.
