“ I will miss you my friend. But it will only be for a little while. I take comfort in knowing that you will sleep for a moment. Our friendship started when we were just little boys on the baseball field. I can recall many happy and fun times we spent together. I look forward to future times together. The Ramey family share this loss with you immediate family. We are comforted by the hope set out in God's word. Job 14:14;15 assures us that Jehovah yearns to call all those in His memory back to life. My hope is to be there when he returns you my friends to life on the paradise earth. This sure hope will sustain us for now. May all who knew you and loved you also be comforted knowing that you are in Jehovah's memory.
From a brother in many ways and for a long time.

To the family of Mr. Roberts, I want to express my sympathy on the passing of Lester. On behalf of the local Watchtower Society(Brooklyn-based), may you find hope from scripture that "to be absent from the body is to be present with the Lord". Know that Jesus sympathizes with you as He was once on the earth and experienced grief as He wept for a dear friend. Jesus understands our human condition and desires to hold you all in the palm of His hand.

“ I was sorry to hear of the passing of Lester Roberts. The promises of eternal life found in the Bible are now true for him, and that I'm very grateful for. May you all look to the risen Lord and Savior, Jesus, who made eternal life a reality at Calvary and the empty tomb. Bank on this that Jesus extends his arms to all of you to offer you His perfect peace in the days ahead. May you all richly be blessed by Jesus.

“ I offer my condolences to the family of Lester. I have found during times such as these that Jesus, our Jehovah, will bring comfort and peace as He once walked the earth and experienced everything that we go through, understanding our human condition. In the days ahead, may you all be truly blessed by our risen Lord and Savior. Always cherish in your hearts the many warm and fond memories that you all share.

“ My condolences to the entire Roberts family. I know that your son/father/brother/grandfather/friend will be missed terribly. I used to love to visit with him as he was had such thoughtful insight to share on all subjects. He was a talented artist and so proud of his baseball days. Every time we talked I wanted to have the power to turn back time for him. He is gone too soon and missed already.
