“ Levi was special I knew it the day I saw him he was an angel loaned to us for a little while, I watched him play at the water park that day and I knew he was an angel with a special mission here on earth, he was a sweet and pleasant young man, I am glad I knew him and loved him and watched him grow up to be a respectful young man, God Bless you family stay prayerful and hold on to God's unchanging hand. rest and know Levi is with the lord. I love you.
