*Dear Margo,  
I remember when we went to visit my Aunt/ Uncle in Detroit Michigan. They welcomed Margo with open arms. We drive around Detroit and meet some nice looking guys who worked at that famous hotel in downtown Detroit. They let us attend a party at the hotel. WE HAD A BALL. Then we meet some guys who invite us to their crib. Little did we know while we were upstairs having a wonderful time. They had the buddies to steal my catalytic converter:) On the way back to teledo my car was running hot! We could nit figure out why. When we got home. We stop at the gas station in Detroit/Monroe ( Black ownership at that time). When the gas attendant raised the hood anti freeze went every where. The mechanic told us the catalytic converter was missing:). We had fun in our youth...God is good!! He made sure we got back home safe. Rest easy.. enjoy your journey Mz. M..*
