“ I love you Mamma and miss you too, and all those short visits we used to do. The phone calls fillibg me in with all the details...or simply asking for cigs and cocktails. Some of the wisest words ever spoken...I'll muss your smile, my heat is broken. But I'm not mad, sad,or blue...for one thing I know is true..."memories never fade", and it will be better than any parade, the day I meet up with you!
