“ Although I never got to meet Maurice in person, I had spoken to him on the phone many times, as he and my husband had been friends for over 20yrs. He was always such a joy, and I enjoyed the person I came to know through those conversations. Prayers of love and peace to his family. God bless!

“ My deepest condolences and prayers go out to the Dampier family.

Myself and Maurice established a deep connected brotherly friendship over twenty years ago in Chicago, IL. I was drawn to him by his outgoing personality, warm heart and his drive to always elevate himself in life. Maurice had a heart of gold and was always there to help anyone in need. This angel was loved by many and will definitely be missed.

God Bless!

I was known as Uncle Ralph to Maurice and all of his first cousins, a member and close friend to his dad and aunts. I will miss seeing him at family gatherings. My prayers are with the family doing this difficult time of loss.

“ *Dee, Thomas, I'm so sorry to hear of Maurice's passing. I barely knew him but every time we passed each other at work, he always greeted me by name and with a smile. It's a good quality that very few people have. Praying for you and all who loved Maurice, for extra Grace to help you thru this hard time.*

“ *Maurice,*

You were a living testament that conformity and agreement needn't ever be prerequisite to inclusion and acceptance. Let your legacy inspire all of us. Rest in peace my friend.
