“ James, Nickolas and the Grace/Wilson family my thoughts and prayers are with you. I had the extreme pleasure of meeting and working with Michelle on the Sisters of Courage calendar when I was with the American Cancer Society. I first met Michelle during the interview process for the calendar. I will always remember Michelle's beautiful smile, wonderful personality and positive attitude. She and I became good buddies through the calendar project, and I enjoyed the time we spent together at Relay etc. Rest in Peace Michelle, you truly have made an impact on so many of us, and I thank you.
