“ My heart is heavy over the loss of my good friend. Myron and I worked together at St. Vincent surgery when I was a staff RN in surgery. I so enjoyed his company, even our "fishing trip" to Grand Lake in St. Mary's Ohio "way back in the '70s". I remember his marriage to Pat like it was yesterday. Although life, time, jobs, families separated us for a long time, Myron still held, and continues to hold, a very special place in my heart. I love you Brother and I hope to see you again my dear, dear friend.
