“ My mind goes back to Poppa Reed, Neut, Margaret, Dorothy and Joan. I remember moments in time. I remember Poppa Reed giving me money to buy bubblegum and penny candy at Ms Belinni’s store. I remember eating the foot longs and fish sandwiches at the Bluefield Drive Inn on Those summer nights with my mom and aunts and Neut. I remember staying up laughing and talking and snacking on goodies when Neut came in for the Park Central reunions. I won’t ever forget those moments. As Jesus said “Lazarus is not dead, he is asleep” Neut is asleep and when the trump sounds she will awaken. SHE IS SAFE IN HIS ARMS. Good Night Neut, we will see you in the morning. “ Neutrice loving kindness and tender mercies from 5 years old until now will never forgotten. A lady of many hats. She wore them all well loving everyone with heart, mind and soul; family attributes of the Reed family for generations. May all that was given be returned to you 100 fold in this time. “ Neut was so special. She and my mom (Carenthia Higgs) always had me laughing when I was a little girl! Neut would let me use her school supplies and play 'teacher' at her house. We would make up songs and sing-laughing until we almost cried! She was like a second mom to me. I spent so much time with her as a child, and I cherished our bond. She was so loving to everyone, and she treated my kids the same way that she treated me when I was a child - with love. I am saddened about her passing from this earthly life, but comforted to know that now she can now see the glory of the Lord. Prayers to her family and everyone who has been affected by this loss.

“ “Then I heard a voice from heaven saying to me, “Write: ‘Blessed are the dead who die in the Lord from now on.’ ” “Yes,” says the Spirit, “that they may rest from their labors, and their works follow them.””

Revelation 14:13 NKJV

Miss Neutrice is gone but will never be forgotten.
