“ To the Family I would like to express my deepest sympathy to each of you. Death is very painful for the ones left behind. Whereas nothing can fill the void or take away that pain, Christ Jesus gives us comfort and hope when he stated that all those in the memorial tombs (graves) will hear his voice and come out. Also we are assured that the day is coming in which God will wipe away the tears of sorrow from our eyes forever and death will be no more. I hope that those words will be of great comfort to each of you.
