“ I am so sorry to learn about the passing of your loved one Ohnsehea. Although you miss him deeply, I know that you will forever cherish the many fond memories that you shared with him. Even though our loved ones are no longer with us, the wonderful things that they did and the many ways that they touched our lives remain with us forever. How good to know that one day we will see our loved ones again by means of the resurrection. John5:28-29 Yes we will see them again and will never have to worry about getting sick, growing old or dying ever again! Rev21:3[4 Yes, one day God will make all things new!! Until then please know that you are in my thoughts and prayers!
