“ *My heart goes out to Kristie & Kevin for the loss of a beloved and honorable father and friend. His many friends can attest to Owen's/Butch's caring ways. Butch to friends and family; Owen to me these many years of my being able to serve as his agent, his memories and good humor will remain his lasting legacy for many years. Owen was certainly blessed for the constant good care and his extended health due to your nurturing ways. Please know our prayers and good thoughts are with you both. - Roger and Barbara*
