“ I worked with Peggy throughout her career with Toledo Municipal Court Probation. She was always caring and concerned that we served our clients well. We sometimes butted heads but I could always be sure that Peggy would agree with a plan that served our clients, staff, and the court. She was a wonderful person.

“ To the Coleman family,

I worked for Peggy for many years at the Toledo Municipal Court. She was always a "class act"! She loved her family and was always concerned about mine. I also just found out about Edward. Although, I only met him a few times, I know how much Peggy loved him. We are so sorry to hear of your family's losses and pray that your strength will get you through the tough times.

With deepest sympathy,

Barb and Don Cameron

“ To the family of Mrs. Peggy Coleman, may our loving God bring comfort and strength to all who knew and loved her. When I would call Peggy to talk with her, she would inquire about my family in a concerned way. She expressed her gratefulness for me calling her. May her loving memories remain in your hearts and minds. God bless you all, The Haynes family from Third Baptist Church- Toledo, Ohio: Herv. Jr., Evangelist Lisa-Maria, Alysa, and Joshua.

I've known the entire Carson family for many, many years. Our family like theirs have deep family roots dating back to the 30s and 40s at the Historic Third Baptist Church. I had the pleasure of working with Peggy on a community project. It was such a joy and pleasure working with her because she paid attention to each and every detail. I will always remember her great smile. May God keep his loving arms around the entire Coleman/Carson family. RIH, dear friend, Peggy!

I, too, worked with Peggy at Toledo Municipal Court and could not have worked with anyone with a bigger heart and concern for our clients. Peggy was a very special woman and it was a privilege to know and work with her. She spoke often of her children and was oh so proud of them. My sincere condolences to your family. Bobbie Finn-Will
