“ Dear Aunt Betty, Family, and Friends
I know we said we were going to stay closer at Donnie's Homegoing and we have failed again; including me. I happened to be looking for someone on my computer saw this. We have to do better I will be calling some of the numbers I have for you all. I never got to say "I'll see you later" I know it will be later because we are all going to meet in that sweet bye-and-bye. God Bless and keep you all. We still love you all.

“ Dear Carr Family and Friends,
I wasn't privileged with the remarkable acquaintance of Mrs. Carr as you were, but it saddens me to read of your loss. Please accept my family's sincere condolences. Many are comforted in knowing that our Creator assures us in the Bible that soon death and mourning will be no more. May you have peace.

And may Jesus, our Jehovah-God, truly bless you all and may you experience the perfect peace that He alone offers. Take hope from scripture that "to be absent from the body is to be present with the Lord".
