“ *My condolences to the family. My mom Quay met whom she called "Bill" a number of years ago and they shared lots of conversation about Nebraska and pray over the phone for several years. Quay is in a nursing facility and she looked forward to receiving Bill's weekly call. Quay is now in a hospice setting and ask me many times over the past months about speaking to Bill. I went through many sheets of paper before finding Robert "Sonny" Moody of Toledo. My heart goes out to the family of a kind man that made a difference in my mom's life.*
