“ *Rolland the days growing up with you will always be in my heart. We shared so many wonderful times even as adults, even until 5 days before you left to go with our Father God. I know that you are rejoicing in Heaven with your family who were waiting for you at the gate with open arms. I love you my friend. I'm not going to say goodbye, I'll just say goodnight and sleep well. I'll see you in the morning!*
